

## Volleyball Camp Procedures/Guidelines:

- Social distance (no huddles)
- Enter at Door 2 everyday
- Hand sanitizing and hand washing before/during/after sessions
- Hand sanitizing stations available in Hinkle
- Ball washing before and after each session
- Camp Questionnaire regarding COVID-19 for all participants
- Each facility will be cleaned and sanitized daily. Surfaces and equipment will be disinfected between all camps and sessions.
- Players must be dropped off no earlier than 20 minutes prior to their camp and picked up no later than 20 minutes after their camp.
- There will be no more than 13-14 players on a court.
- Mandatory handwashing upon arrival and at water breaks.
- Temperatures to be taken by parents before arrival each morning prior to camp start, if a camper has a fever, please do not send the participant to camp that day.
- No parents or spectators at facilities, only players and coaches allowed.
- No water stations will be provided by the camp- water bottles available for purchase
- Masks are optional for campers but mandatory for camp staff (masks for sale at camp)
- If at any point a camper becomes sick, or shows symptoms, they must be picked up immediately.
